Mike,

I have uploaded all of the information for Centennial and Wildcat from the pipeline into the database. A report is attached.

As a reminder, according to parameters set by the assigned hydrologist, you are still missing a sample for B361.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.

This email is to notify the Division that 3rd quarter, 2005 water monitoring information is in the pipeline and is acceptable for downloading. This includes UPDES information and water monitoring data for both Wildcat Loadout C007/033 and Centennial Mines C007/019.

Thank you
